

Procedures for Pre-Flight COVID-19 Testing from NSGB TO CONUS

Those traveling on government funded orders are not required COVID testing (PCS, TAD/TDY, Funded EML, Deployment, etc.)

Below are the procedures for Unofficial Outbound Travelers (Contractor dependents/Non DoD dependents, Unfunded EML, and Space-A):

For those departing on a **Tuesday** flight:

1. Must have approved travel documents
2. By 1400 the Friday prior, must email Emergency Management, usn.gtmo.navstagtmobaycu.list.n37-em@mail.mil, Passenger's Name and Departure Date
3. Complete COVID Test at NSGB Community Center, BLDG M322 Marina Point, on Monday from 1000-Noon. Families with children 2-17 are asked to arrive at 1000.
4. Retrieve testing results from the **Naval Hospital Medical Records Department** that same Monday afternoon from **1400-1500**. Medical Records closes at 1600.
5. Bring paper copy of results to NSGB AMC Passenger Terminal on Tuesday morning

For those departing on a **Friday** flight:

1. Must have approved travel documents
2. By 1400 the Wednesday prior, must email Emergency Management, usn.gtmo.navstagtmobaycu.list.n37-em@mail.mil, Passenger's Name and Departure Date
3. Complete COVID Test at NSGB Community Center, BLDG M322 Marina Point, on Thursday from 1000-Noon. Families with children 2-17 are asked to arrive at 1000.
4. Retrieve testing results from the **Naval Hospital Medical Records Department** that same Thursday afternoon from **1400-1500**. Medical Records closes at 1600.
5. Bring paper copy of results to NSGB AMC Passenger Terminal on Friday morning

If you are unsure of what category you're traveling under, contact the AMC Terminal at 6305, 6408, or 6364
